1. Great class! Thank you for explaining and re-teaching. Very Helpful!
2. Jerry - Great semester! You helped sort through the murky waters of ancient Greece. Good luck!
3. Jerry has been an AWESOME TA. Whenever I was confused, he was open to explain anything and everything. I hope to have him as my TA again in the future!
4. Jerry was a great TA. He was very knowledgeable about the subject matter and clearly enjoyed sharing it with everyone. His discussion sections were extremely helpful in that he helped us better understand really difficult material and he went out of his way to hold review sessions for us which is much appreciated!
5. He would be a very motivated professor, and should definitely be considered if he desires a future here. Very willing to go the extra mile, which is more than I can say for most philosophy teaching assistants.
6. Great sessions. I pretty much learned the material through you. No suggestions for improvement at this time. Thanks for a great semester!
7. One of the best TA's I've had at UT and the best philosophy TA I've had. Keep it up!
8. Great TA, always willing to help, good guy, very patient
9. Jerry was one of the best TA's I have ever had at UT. The comments he provided for essay questions were very helpful. With difficult subject matter like Plato and Aristotle, I don't know how I could have gotten through this course without Jerry's knowledge.
10. Great TA. No criticisms, very friendly and competent
11. Great TA, truly cares about students success and progression. Highly recommended, respects the integrity of the course and does not give out answers to probing students, but helps them understand it on their own. Probably my favorite TA, very knowledgeable.
12. Great TA. Highly recommended, Extremely helpful
13. Honestly, best TA ever! Shows so much dedication to the class. Extremely helpful and available. Makes students feel comfortable and encouraged at asking questions. I wish you TA all my philosophy courses!

14. Jerry is easily the best TA I have had throughout the ~40 classes I have taken between three different universities. He is very knowledgeable of the material, provides helpful suggestions in his feedback, and returns assignments very quickly. The grading is fair, and he is very good at clarifying difficult concepts.
15. Jerry was a great, friendly, knowledgeable & gave assistance with matters outside of class (such as help with graduate school).
16. Jerry is a really great TA. He is always available to help us. The only thing I did not like was that in terms of the bonus questions, we did not receive any credit. I felt that, that particular part was a bit unfair because it is rare to get those questions completely right in the first place. Overall, Jerry was really awesome & his puppets were great!
17. Probably my favorite TA. Mostly because he LOVES the material but also because he explains it better than the professor could. Philosophy instructors need to be both smart and patient. Jerry is both, professor was only smart.
18. Jerry, Thank you for being understanding and easy-to-work-with
19. Easily the best TA I've had so far. Most helpful, most friendly and approachable.
20. Jerry is great. We, as a university, would sincerely benefit in keeping him.
21. Jerry was one of the best TAs I've had at UT. He's ALWAYS willing to help and ALWAYS answers questions as thoroughly as possible. His feedback on exams was also very thorough and helpful to improve in the future. Jerry seemed genuinely interested in the students and out success !!! Awesome TA!
22. Jerry went out of his way on many occasions to provide feedback to every individual after exams. I'm impressed by his dedication to his students and knowledge of subject matter. He is a great TA.
23. Jerry was very informed on the subject matter and helped guide me in various facets of the course!!! Great TA
24. One of the best TAs I've ever had! He seriously cares about his students and attaining knowledge in general (and spreading the understanding to everybody in his sections.) I'll miss you Jerry!

1. Excellent TA. Fair grader. Accepted multiple justified interpretations. Sections were extremely useful and I enjoyed them more than the class. I hope this TA is allowed to teach this course in the future.
2. Jerry was great as a TA since he's getting a post-grad degree in the subject anyway. Well, the more important reasons are probably that he's more patient with questions than the professor is and can explain answers in a clearer fashion.
3. Jerry was probably one of the most caring, kind, and intelligent TA's I've ever had. He was readily available for office hours, and seemed really to care about all of his students. That being said, he graded us too easily and coddled us in a way. In some respects I wish he would have challenged us and made it much more difficult to get an A.
4. Awesome, went above and beyond.
5. Jerry was a ~~racer~~ cool TA. Didn't utilize as much as I should've, though.
6. I really appreciated how much thought you put into your teaching method. It evolved nicely over the course of the semester.
7. Good work!
